HISTORY:

Move & Store is a moving and storage company headquartered in **Birmingham, AL**. **Established in 2011** by college roommates at Auburn University, Move & Store had a vision of delivering students a full service moving experience. Since its inception, Move & Store has added **nine locations across the country**, acquired another moving company, and has evolved into a multi-truck operation **providing full service collegiate, commercial, and residential moving services**. This success can be attributed to Move & Store's employees and their **dedication** to customer service, personnel recruitment, and resource allocation. The cornerstone of Move & Store's success is its dedication to providing customers a **first-in-class moving experience**.
